LANGUAGES:

MOTHER TONGUE

Spanish

OTHER LANGUAGES

English
• **Reading**   Advanced
• **Writing**   Avanced: My personal Blog: https://medium.com/@nereo3040
• **Oral expression**   Intermediate

SKILLS HACKERS:

Programming languages that I handle:

1. python2 y 3   5 years of experience

2. typescript2 (ECMAScript 6)   1 year of experience

3. javascript 3 years of experience

4. html5   4 years of experience

5. ccs3   4 years of experience

6. sql   3 years of experience

7.Nosql databases: MongoDB
http://university.mongodb.com/course_completion/8c4ce0ad-2bc7-4cff-8898-df96e194

8. git   4 years of experience

9. Jquery, dialect of javascript 1 year of experience

Frameworks that I use:

1. Django, python web framework   3 years of experience

2. Django Rest Framework, the APIs generator of django   1 year of experience

3. Angular2+, framework of javascript   1 year of experience

4. Bootstrap4 framework of css3   3 years of experience

5. Ionic2+ framework based on angular for web and mobile aplications 1 year of experience

6. Firebase, the backend solution of Google Cloud Platform 1 year of experience

7. Linux-Debian-Ubuntu-Mint user 4 years of experience

8. linux's servers 1 year of experience

With interest in learning in the immediate:

0. Improve what I already manage

1. Google Cloud Platform in general

2. Ethereum

3. The MEAN stack in general

My demos, presentations and researches:

1. https://github.com/alener ,**my github profile, The social networking of coders**

2. **https://github.com/alener?tab=stars , where research and share free software almost diarily**

3. **agenciaturismodemo.tk/admin user: demo, login: demodemo , my last proyect demo written in django**

4. **https://alener.github.io/SPAportfolio/ , A SPA (simple page aplication), written with angular5**

5. **https://www.youtube.com/channel/UCM3ydstXazmRZAyRWyOzzNw ,my youtube channel developer, where I show some last works**

6. **https://github.com/alener/Presentaciones**

7. **https://github.com/alener/DRFsupervideoblog , a APIrest written in Django Rest Framework, for future integration with angular6**

Other capabilities and skills   Chess player, coach and Teacher
